STOPPY MBB

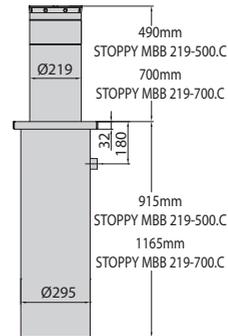

STOPPY MBB

Automatic electromechanical bollards

	STOPPY MBB 500	STOPPY MBB 700
Opening or closing time	9 sec.	
Control unit	PERSEO CBE	
Type of limit switch	reed magnetic sensor	
Slowdown	yes	
Impact resistance	10500 J	
Break-in proof	150000 J	
Locking	electric brake	
Manual cycle	reversible in the absence of volta	
Frequency of use	very intensive	
Environmental conditions	from -15 °C to 60 °C	
Protection rating	IP67	

North branch - 0161 456 0456
South branch - 01488 674 750
