

Datasheet

READER, INTERCOM POSTS/ GNP Range - Goose Neck Posts

Product description

A range of posts to complement and optimise any access control or automation project. With an understanding that aesthetics and practicality are equally important, these products are suitable to fit in any non-coastal environment.

Where practicality is important, the GNP range is made from steel with a black, hardened powder-coat finish. These are ideal for car and lorry parks.

The GNP Range are car height ([GNP-1C](#), [GNP-1C-SS](#)) and lorry height ([GNP-1L](#), [GNP-2CL](#)) goose neck posts.

Key features

- Car height and lorry height posts
- Sturdy construction
- Ideal for intercom or card reader
- Combining aesthetics and practicality
- Ideal external parking areas
